It is requested that clearance for Project AQUATONE be initiated for [redacted] Deputy Chief, Supplementary Program Division; and [redacted] Chief, Security Division, of the Office of Communications. [redacted] and [redacted] are respectively relieving [redacted] who were cleared for Project AQUATONE because of their former functional responsibilities.

25X1

The close and sustained communications support to be furnished Project AQUATONE by the subject individuals requires that clearance for briefing be obtained at the earliest possible date. Also, it is requested that [redacted] retain their clearance for Project AQUATONE to serve in an advisory communications capacity as needed.
